PROFILE

I'm a motivated, hard working motion design professional skilled at producing high-quality content featuring animations, videos, and visual effects. I am an effective team player with strong time management skills. I strive to be ahead of the curve in the motion graphics industry by working with the latest software and collaborating with a talented team.

WORK EXPERIENCE

Motion Graphics Designer

01/2021 - Present

Epoch Design

- Creating premium motion design advertisements for both social and Out-Of-Home for top FMCG brands like Coke, Unilever, Oral-B, Schweppes and more.
- My goal is to extend the type of work Epoch does to incorporate more character animation and infographics so we can tell stories in our own way.

Motion Graphics Designer

07/2020 - 12/2020

We Love 9am

- Sole Motion Designer leading the video department, developing a new direction for WeLove9am's video content
- Worked in collaboration with graphic designers to storyboard and concept ideas for videos, campaigns, podcasts and more.

Freelance Graphics Designer

03/2019 - 06/2019

Oliver More

02/2020 - 07/2020

- Produced high-quality motion graphic advertisements for Unilever and Reckitt Benckiser products (Durex, Signal, Dettol, Scholl, Axe), closely working with international clients
- Collaborated with various motion designers to create an animated presentation for the CEO of Unilever which was presented at the Cannes Film festival.
- Created an aesthetically appealing 2D animated explainer video by applying animation principles.
- Edited video footage for a social media ad focusing on its ability to be eye-catching.

Motion Graphics Designer

06/2019 - 11/2019

The First Order

- Participated in all facets of motion graphics projects from start to finish, ensuring that everything was completed on time.
- Produced motion graphics for a South African film award show, having fully delivered on objectives.
- Created short animated videos from storyboarding to designing to animating, maintaining great client satisfaction.
- Collaborated with colleagues to create visual effects for the company's feature film, equally strengthening my skills in motion tracking, having used Mocha to do so.

WORK EXPERIENCE

Freelancer

01/2019 - present
